

Nursing Publications, Presentations, and Scholarly Work January – December 2016

Publications

Adkins, C.S., & **Doheny, K.K.** (2016). Exploring preterm mothers' personal narratives: Influences and meanings. *Advances in Nursing Science*, epub.

Baweja, R., **Curci, K.**, Yingst, J., Veldheer, S., **Hrabovsky, S.**, Wilson, S.J., Nichols, T.T., Eissenberg, T., & Foulds, J. (2016). Views of experienced electronic cigarette users. *Addiction Research and Theory*, 24(1): 80-88.

Brelsford, G.M., & **Doheny, K.K.** (2016). Religious and spiritual journeys: Brief reflections from mothers and fathers in a Neonatal Intensive Care Unit (NICU). *Pastoral Psychology*, 65(1), 79-87.

Brelsford, G.M., Ramirez, J., Veneman, K., & **Doheny, K.K.** (2016). Sacred spaces: Religious and secular coping and family relationships in the Neonatal Intensive Care Unit. *Advances in Neonatal Care*, epub.

Brettler, S. (2016). *Movement disorders*. Chapter in: American Association of Neuroscience Nurses' Core Curriculum for Neuroscience Nursing, 6th Edition. Chicago, IL: AANN.

Ceschini, D. (2016). Innovative programs promoting careers in OR nursing. *Association of periOperative Registered Nurses Journal*, 103, 623-30.

Doheny, K.K., Gardner, F.C., Browning, K.N., & Travagli, R.A. (2016). Vagal dysregulation and female sex are risk factors for necrotizing enterocolitis in preterm neonates. *Gastroenterology*, 150(4), S-106.

Espenshade, K., & Hreniuk, L. (2016). Partnering with women for postpartum pain management. *Nursing for Women's Health*, 20(6), 595-600.

Frankenfield, D.C., Ashcraft, C.M., Wood, C., & Chinchilli, V.M. (2016). Validation of an indirect calorimeter using n-of-1 methodology. *Clinical Nutrition*, 35(1), 163-8.

Gardner, K., Kanaskie, M.L., Knehans, A., **Salisbury, S., Doheny, K.K., & Schirm, V.** (2016). Implementing and sustaining evidence based practice through a nursing journal club. *Applied Nursing Research*, 31, 139-145.

- Garay, M., Hennrikus, W.L., **Hess, J.**, Lehman, E.B., & Armstrong, D.G. (2016). Lawnmowers versus children: The devastation continues. *Clinical Orthopedics and Related Research*, epub.
- Gonzalo, J.D., **Himes, J.**, McFillen, B., **Shifflet, V.**, & Lehman, E. (2016). Interprofessional collaborative care characteristics and the occurrence of bedside interprofessional rounds: A cross-sectional analysis. *BMC Health Services Research*, 16, 459.
- McAllister, B.P., Williams, E.D., Yoo, L.J., Tinsley, A., Ardell, C.M., **Follett, S.**, & **Paskey, D.M.** (2016). Refractory peristomal pyoderma gangrenosum successfully treated with intravenous immunoglobulin: A case report. *The American Journal of Gastroenterology*, 110(12), 1739-40.
- Messarlis, E., Connelly, T.M., Kulaylat, A.N., Miller, J., Gusani, N.J., **Ortenzi, G.**, Wong, J., & Ghayani, N. (2016). Is a diverting ostomy needed in mid-high rectal cancer patients undergoing a low anterior resection after neoadjuvant chemoradiation? An NSQIP analysis. *Surgery*, 158(3), 686-91.
- Miller, N.**, **Frankenfield, D.**, Lehman, E., **Maguire, M.**, & **Schirm, V.** (2016). Predicting pressure ulcer development in clinical practice: Evaluation of Braden Scale scores and nutrition parameters. *Journal of Wound, Ostomy, and Continence Nursing*, 43(2), 133-9.
- Moyer, A.** (2016). Empowering patients, engaging teams: An interprofessional continuing education pilot. *The Journal of Continuing Education in Nursing*, 47(9), 421-6.
- Oji-Mmuo, C.N., Michael, E.J., McLatchy, J., **Lewis, M.**, **Becker, J.**, & **Doheny, K.K.** (2016). Skin conductance at baseline and postheel lance reflects sympathetic activation in neonatal opiate withdrawal. *Acta Paediatrica*, 105(3), e99-e106.
- Riemony, S.**, **Gonzalez, L.**, Gosik, K., **Ricords, A.**, & **Schirm, V.** (2016). Nurses' perceptions and attitudes toward use of oral patient-controlled analgesia. *Pain Management Nursing*, 17(2), 132-9.
- Sunderland, N.**, **Pazuchanics, S.**, & Villaneuva, N. (2016). External ventricular catheters: Is it appropriate to use an open/monitor position to adequately trend intracranial pressure in a neuroscience critical care environment? *Journal of Neuroscience Nursing*, 48(5), 274-7.
- Zeiner, V., Storm, H., & **Doheny, K.K.** (2016). Preterm infants' behaviors and skin conductance responses to nurse handling in the NICU. *The Journal of Maternal-Fetal & Neonatal Medicine*, epub.

Podium and Poster Presentations

Abraham, L., Follett, S., & Paskey, D. (2016, November). *Innovative use of moldable technology*. Poster presented at the North East Region, Wound Ostomy Continence Nursing Regional Conference, Huntington, NY.

Adley, A., Andrews, P., Himes, J., & Rudy, A. (2016, October). *Facing it together: Face-to-face peer review that inspires professional growth*. Podium presentation at the American Nurses Credentialing Center's National Magnet Conference, Orlando, FL.

Albright, D., Blevins, L., & Bradley, B. (2016, March). *Increased error reporting through a great catch program*. Poster presented at the American Organization of Nurse Executives Annual Conference, Fort Worth, TX.

Albright, D., & Richardson, C. (2016, March). *Increased error reporting through a great catch system*. Poster presented at the Children's Hospital Association Quality and Safety Conference, New Orleans, LA.

Birriel, B. (2016, April). *Surrogate decision-making in critical illness: Bridging scientific and theoretical literature*. Poster presented at the Eastern Nursing Research Society's 28th Annual Scientific Sessions, Pittsburgh, PA.

Buffenmeyer, J.J. (2016, September). *Does RN/provider rounding at the bedside increase patient satisfaction scores regarding communication between RNs and medical providers?* Poser presented at the Academy of Medical-Surgical Nurses 25th Annual Convention, Washington, DC.

Cox, L. (2016, May). *Prescribing intravenous fluids: It is more than just filling the tank*. Podium presentation at the American Association of Critical-Care Nurses' National Teaching Institute and Critical Care Exposition: Featuring the Advanced Practice Institute, New Orleans, LA.

Delong, M., & Thompson, S. (2016, March). *Pain management in subarachnoid hemorrhage patients*. Poster presented at the Vizient/AACN Nurse Residency Program Meeting, Bonita Springs, FL.

Dillon, J., Enimpah, A., Fields, K., & Zug, L. (2016, October). *Nursing leadership drives implementation of community health needs assessment and best practice strategies*. Podium presentation at the American Nurses Credentialing Center's National Magnet Conference, Orlando, FL.

- Doheny, K.K.,** Gardner, F.C., Teti, D.M., Palmer, C., Sugino, S., & Jacnicki, P. (2016, May). *Polymorphisms of HTR2C (serotonin receptor gene) are associated with differences in post-handling cortisol in preterm infants.* Poster presented at the Pediatric Academic Societies Meeting, Baltimore, MD.
- Dougherty, J., Kreider, K., Gordon, J., & Gadberry, T.** (2016, November). *Aggressive, early defibrillation compared to traditional advanced cardiac life support (ACLS) in post-operative cardiothoracic surgery patients.* Poster presented at Sigma Theta Tau International's Nursing Research and Evidence Based Practice: The Keys to Quality Patient Care Conference, Danville, PA.
- Fenush, J.,** & Filoromo, C. (2016, March). *Early intervention to impact outcomes: Implementing the role of the "crisis nurse" as a quality and safety initiative.* Panel presentation at the American Nurses Association Annual Conference, Lake Buena Vista, FL.
- Gordon, J.** (2016, April). *Postoperative glycemic control in the cardiac surgery patient.* Poster presented at the Eastern Nursing Research Society's 28th Annual Scientific Sessions, Pittsburgh, PA.
- Halso, S.** (2016, August). *The critical role of duplex ultrasound in diagnosis of carotid pseudoaneurysm.* Podium presentation at the Society for Vascular Ultrasound Annual Conference, Chicago, IL.
- Hicks, S., & Reardon, D.** (2016, May). *Early exercise and mobilization in the medical intensive care unit.* Poster presented at the American Association of Critical-Care Nurses' National Teaching Institute and Critical Care Exposition, New Orleans, LA.
- Hravbobsky, S.,** Veldheer, S., Yingst, J., Hammett, E., Maccani, J., & Foulds, J. (2016, March). *Guided smoking cessation treatment plan using exhaled carbon monoxide levels at one week post-target quit day.* Poster presented at the Society for Research on Nicotine and Tobacco, Chicago, IL.
- Hughes, F., & Zimmerman, J.** (2016, May). *Standardizing BMT nurse orientation on an integrated hematology/oncology/BMT unit.* Poster presented at the Oncology Nursing Society's 41st Annual Congress, San Antonio, TX.
- Jack, R., **Doheny, K.K.,** & Palmer, C. (2016, May). *Electrical grounding decreases sympathetic activity in neonates.* Poster presented at the Pediatric Academic Societies Meeting, Baltimore, MD.

Kanaskie, M.L., & Snyder, C. (2016, April). *Factors influencing registered nurses and nursing assistants use of mechanical lift devices*. Podium presentation at WellSpan Health's EBP and Nursing Research: The Gateway to Quality and Safety Conference, York, PA.

Kanaskie, M.L., Snyder, C., & Salisbury, S. (2016, April). *Factors influencing registered nurses and nursing assistants use of mechanical lift devices*. Podium presentation at the Eastern Nursing Research Society's 28th Annual Scientific Sessions, Pittsburgh, PA.

Luchs, S. (2016, June). *This is the way we have always done it*. Presentation at the Vizient Faculty Practice Solutions Center Annual Conference, Chicago, IL.

Luchs, S. (2016, November). *The power of the people*. Presentation at the Children's Hospital Association Annual Leadership Conference and Meeting of the Membership, Phoenix, AZ.

Lutz, C., Law, K., Laraway, L., Ceschini, D., Burfete, C., Knehans, A., Lynn, L., Schirm, V., & Zarefoss, L. (2016, April). *Pressure ulcer prevention in the operating room: Process and outcomes evaluation*. Poster presented at the Association of periOperative Registered Nurses Surgical Conference and Exposition, Anaheim, CA.

Meinert, P. (2016, June). *Nursing leadership orientation: The role of the nursing professional development specialist*. Poster presented at the Maryland Nursing Education Conference, Baltimore, MD.

Messner, E., & Gonzalo, J. (2016, November). *Improving patient-centered interprofessional collaborative care: Assessing time spent on bedside interprofessional activities*. Poster presented at the North American Primary Care Research Group International Conference, Colorado Springs, CO.

Mills, J., Hughes, F., & Kanaskie, M.L. (2016, May). *Transitioning graduate nurses to ambulatory care: A vision for the future*. Poster presented at the 41st Annual American Academy of Ambulatory Care Nursing Annual Conference, Palm Springs, CA.

Mills, J., Hughes, F., & Kanaskie, M.L. (2016, June). *Transitioning graduate nurses to ambulatory care: A vision for the future*. Poster presented at the Association for Nursing Professional Development's Annual Convention, Pittsburgh, PA.

- Morrison, K.** (2016, April). *Strength in numbers: Stroke coordinators improving care through collaboration.* Podium presentation at the American Association of Neuroscience Nurses 48th Annual Educational Meeting, New Orleans, LA.
- Motz, L.** (2016, April). *Reducing 30-day readmissions using the Rothman Index for discharge decision making.* Poster presented at the Eastern Nursing Research Society's 28th Annual Scientific Sessions, Pittsburgh, PA.
- Motz, L.** (2016, April). *Improving quality, reducing readmissions: A retrospective review of the Rothman Index.* Podium presentation at PeraHealth's Annual Rothman Index Roundtable/Yale Symposium, New Haven, CT.
- Motz, L.** (2016, July). *Use of a predictive tool, the Rothman Index, to reduce 30-day readmissions.* Poster presented at the Summer Institute of Nursing Informatics (SINI) 2016: Informatics at the Crossroads of Care Coordination Conference, Baltimore, MD.
- Motz, L., Kingston, R., & Curci, K.** (2016, October). *The journey to an Office of Advanced Practice.* Poster presented at the American Nurses Credentialing Center's National Magnet Conference, Orlando, FL.
- Myers, C., Costy, G., Sigmon, S., Stephens, H., & Doheny, K.K.** (2016, February). *Nurturing families and ourselves: The role of a child life specialist in the neonatal intensive care unit.* Poster presented at the 29th Annual Gravens Conference on the Physical and Developmental Environment of the High Risk Infant, Clearwater Beach, FL.
- Paskey, D., Follett, S., & Tice, S.** (2016, March). *Group preoperative ostomy education class: Improves satisfaction, decreases complications, and reduces cost.* Poster presented at the American Nurses Association Quality Conference, Lake Buena Vista, FL.
- Phillips, J.** (2016, October). *Interprofessional communication: An intervention for relational coordination in novice clinicians.* Podium presentation at the 9th National Doctors of Nursing Practice Conference, Baltimore, MD.
- Rao, H., Stabinski, J., May, J., & Graff, G.** (2016, May). *12 year old girl with hypogammaglobulinemia, bronchiectasis, and airway fibrosis.* Poster presented at the American Thoracic Society Conference, San Francisco, CA.
- Richardson, A.** (2016, February). *DTN too slow...Who you gonna call? Clot busters – and the stroke coordinator!* Poster presentation at the International Stroke Conference, Los Angeles, CA.

- Richardson, A.** (2016, May). *Out of sight, out of mind: Strategies for post-acute stroke care.* Podium presentation at Stroke Coordinator Boot Camp, Cincinnati, OH.
- Rudy, S.** (2016, January). *Building a simulation instructor course: Meeting the needs for program and faculty development.* Poster presentation at the International Meeting for Simulation in Healthcare, San Diego, CA.
- Rudy, S.** (2016, January). *Discovery through questions: Techniques for facilitating discussion.* Poster presentation at the International Meeting for Simulation in Healthcare, San Diego, CA.
- Schaffer, P.,** Caputo, G., Ballentine, N., Hess, S., **Mills, J.,** & Lentes, B. (2016, May). *Promoting an ambulatory care culture of safety with an interdisciplinary preventative program (falling leaves).* Poster presented at the 41st Annual American Academy of Ambulatory Care Nursing Annual Conference, Palm Springs, CA.
- Snyder, C.K.** (2016, May). *Tissue necrosis: A rare adverse event of arginine infusion during growth hormone stimulation testing.* Poster presented at the Pediatric Endocrinology Nursing Society Annual Conference, Denver, CO.
- Sunderland, N.** (2016, April). *Upper respiratory infection: A premonition of neuromyelitis optica.* Poster presented at the American Association of Neuroscience Nurses 48th Annual Educational Meeting, New Orleans, LA.
- Swinehart, K., & Calderon, A.** (2016, April). *Caregivers coping with unexpected loss in advanced heart failure.* Poster presented at the Eastern Nursing Research Society's 28th Annual Scientific Sessions, Pittsburgh, PA.
- Tringali, C.** (2016, April). *Code purple: A nursing strategy for providing timely psychosocial support to patients.* Podium presentation at the 41st Oncology Nursing Society Congress, San Antonio, TX.
- Williamson, K.** (2016, March). *An interprofessional approach to improving central line associated bloodstream infections.* Poster presented at the American Nurses Association Quality Conference, Lake Buena Vista, FL.

Other Scholarly Activities, Invited Presentations, Symposia, and Panels

- Adams, A., Moore, L., & **Tringali, C.** (2016, May). *Pediatric patient, parent, and nurse perceptions of satisfaction with pain management.* Poster presented at Pediatric Research Day, Hershey, PA.

- Barry, R., & Fenush, J.** (2016, March). *Making the case for staffing: Finding advanced solutions*. Preconference presentation at the American Nurses Association Annual Conference, Lake Buena Vista, FL.
- Barry, R., & Fenush, J.** (2016, March). *Staffing basics: Building concepts*. Preconference presentation at the American Nurses Association Annual Conference, Lake Buena Vista, FL.
- Bergstresser, A.** (2016, April). *The burning truth about GERD and the (s)low down on motility*. Invited presentation at the 7th Annual Focus on Pharmacology Conference for Advanced Practice Clinicians, Harrisburg, PA.
- Brelsford, G.M., & **Doheny, K.K.** (2016, May). *Post-traumatic growth and intrapersonal spirituality: Finding strength in times of stress post NICU discharge*. Poster presented at Pediatric Research Day, Hershey, PA.
- Brettler, S., & Dunkle, C.** (2016, April). *Wet, wacky and wobbly: Normal pressure hydrocephalus*. Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- Corr, T.E., **Masgay, J., Doheny, K.K.,** Reeder, A., & **Bria-Carbo, A.** (2016, May). *Family-centered care in the Neonatal Intensive Care Unit: The use of regularly-scheduled meetings for the complex or critically-ill neonate*. Poster presented at Pediatric Research Day, Hershey, PA.
- Curci, K.** (2016, April). *Update on the treatment of Hepatitis C*. Invited presentation at the 7th Annual Focus on Pharmacology Conference for Advanced Practice Clinicians, Harrisburg, PA.
- Doheny, K.K.,** Gardner, F.C., Browning, K.N., & Travagli, R.A. (2016, May). *Vagal dysregulation precedes necrotizing enterocolitis in preterm neonates*. Poster presented at Pediatric Research Day, Hershey, PA.
- Doheny, K.K.,** Gardner, F.C., Teti, D.M., Palmer, C., Sugino, S., & Janicki, P. (2016, May). *Genetic variation of the serotonin 2c receptor gene is associated with differences in basal and post-handling salivary cortisol in preterm infants*. Poster presented at Pediatric Research Day, Hershey, PA.
- Drasher, T.** (2016, April). *Nutrition in pediatric inflammatory bowel disease*. . Invited presentation at Updates in Pediatric Gastroenterology for the Pediatric Practitioner, Hershey, PA.

- Fogel, B., **Crsihock, P.**, & Iriana, S. (2016, May). *Improving HPV vaccine series completion using influenza vaccine clinics*. Poster presented at Pediatric Research Day, Hershey, PA.
- Frazier, S.** (2016, April). *Stop the revolving door: Keep your heart failure patients at home*. Invited presentation at the 7th Annual Focus on Pharmacology Conference for Advanced Practice Clinicians, Harrisburg, PA.
- Gardner, F.C., Travagli, R.A., & **Doheny, K.K.** (2016, May). *Stress behaviors and heart rate variability measures during the first week of life predict preterm infants' vulnerability for later colic symptoms*. Poster presented at Pediatric Research Day, Hershey, PA.
- Greecher, C.** (2016, October). *Lean but not mean: Supporting appropriate growth in the preterm infant*. Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- Grim, A., Ameigh, C.**, & Kresch, M.J. (2016, May). *Improving compliance with pulse oximeter alarm limits*. Poster presented at Pediatric Research Day, Hershey, PA.
- Jack, R.A., **Doheny, K.K.**, & Palmer, C. (2016, May). *Electrical grounding is associated with decreased sympathetic activity in preterm neonates*. Poster presented at Pediatric Research Day, Hershey, PA.
- Jankouskas, T.**, & Transue, B. (2016, December). *PPP: Preparing for the publishing process*. Podium presentation at the "Igniting the Spirit of Inquiry" Innovations in Nursing, Nursing Research/EBP Conference, Harrisburg, PA.
- Kingston, R.L.** (2016, October). *Tracheostomies in children: What to do and teaching caregivers to do it too!* Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- Kwator, S.** (2016, March). *Innovative staffing practices: Case studies in trial and error*. Invited podium presentation at the American Nurses Association Annual Conference, Lake Buena Vista, FL.
- Lewis, M.M.** (2016, October). *Aiming for zero necrotizing enterocolitis (NEC): Quality improvement initiatives to reduce the incidence of NEC in preterm infants*. Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- McCarthy, L.**, & **Evans, R.** (2016, February). *Busy at the bedside: Exploring innovative staffing solutions* [Webinar]. Retrieved from <http://www.plan27.com/ana-email-1/>.

- McMenamin, C.A., Anselmi, L., **Doheny, K.K.**, Browning, K.N., & Travagli, R.A. (2016, May). *Developmental regulation of chloride currents in the dorsal motor nucleus of the vagus of the rat*. Poster presented at Pediatric Research Day, Hershey, PA.
- Morgan, A.** (2016, April). *Neurologic injuries in children*. Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- Motz, L.** (2016, April). *Improving quality, reducing readmissions: A retrospective review of the Rothman Index*. Presentation at the National Symposium on Value Innovation at Yale PeraHealth Post Symposium Annual Rothman Index Roundtable, New Haven, CT.
- Myers, C., **Costy, G., Sigmon, S., Stephens, H., & Doheny, K.K.** (2016, May). *Nurturing families and ourselves: The role of a Child Life Specialist in the Neonatal Intensive Care*. Poster presented at Pediatric Research Day, Hershey, PA.
- Olympia, R.P., Wilkinson, R., Dunnick, J., **Dougherty, B.J.**, & Zauner, D. (2016, May). *Pediatric referrals to an emergency department from urgent care centers*. Poster presented at Pediatric Research Day, Hershey, PA.
- Pauliks, L.B., Vender, R., **Allwein, L., Kitch, D.**, & Graff, G. (2016, May). *Diminished right ventricular strain rate in 27 children with cystic fibrosis: Correlation with lung function testing at 4.7 year follow up*. Poster presented at Pediatric Research Day, Hershey, PA.
- Peer Review Packet. (2015) Department of Nursing, Milton S. Hershey Medical Center. PennState Health: Hershey, PA. Used by Newport Hospital.
- Pinos, E.** (2016, October). *Sepsis*. Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- Reynolds, K.** (2016, October). *Professional practice model aligned with shared decision-making*. Invited podium presentation at the South Central Magnet Consortium, York, PA.
- Richardson, A.** (2016, April). *Strokes don't discriminate: Why are our children having strokes?* Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.
- Shirk, B.** (2016, October). *Injuries to children on farms*. Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.

Shirk, B., & Yocum, J. (2016, May). *Implementation of an educational session to decrease the incidence of driving distractions among high risk teen drivers.* Poster presented at Pediatric Research Day, Hershey, PA.

Snyder, R.M., & Snyder, C.K. (2016, May). *A novel linear measurement process with application in pediatric endocrinology.* Poster presented at Pediatric Research Day, Hershey, PA.

Soulier, J. (2016, October). *A spoon full of sugar helps the medicine get real complicated.* Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.

Stabinski, J. (2016, April). *Cough, croup and colds... oh my!* Invited presentation at the 7th Annual Focus on Pharmacology Conference for Advanced Practice Clinicians, Harrisburg, PA.

Stabinski, J. (2016, October). *Asthma: Same old song and dance.* Podium presentation at the 23rd Annual Neuroscience Conference, Hershey, PA.

Sulemanji, M.N., Speck, L., Miller, N., Schmidt, N., Greecher, C., Doheny, K.K., Lewis, M., & Palmer, C. (2016, May). *Quality improvement (QI) initiative on reducing the incidence of necrotizing enterocolitis.* Poster presented at Pediatric Research Day, Hershey, PA.

Tringali, C., Busko-Ruff, E., Butch, M., Keil, L., Pugliese, B., Rohrer, E., Zarefoss, L., Adams, A., & Moore, L. (2016, May). *Overcoming challenges in the research process.* Poster presented at Pediatric Research Day, Hershey, PA.

Yunker-Stumpf, L.A., & Ingalls, L.K.H. (2016, April). *Celiac disease update.* Invited presentation at Updates in Pediatric Gastroenterology for the Pediatric Practitioner, Hershey, PA.

Reviewer Activities

Fenush, J. (2016, March). Reviewer for Innovation and Technology. American Nurses Association Staffing and Quality Conference, Lake Buena Vista, FL.

Kanaskie, M.L. (2016). Article reviewer for the *Journal of Continuing Education in Nursing.*

Kanaskie, M.L. (2016). Abstract reviewer for the Eastern Nursing Research Society.

Kanaskie, M.L. (2016). Chapter reviewer for: Legal and ethical issues in nursing professional development. In *Nursing Professional Development, Leadership in Nursing Professional Development: An Organizational and System Focus*.

Kanaskie, M.L. (2016). Manuscript reviewer for *Applied Nursing Research*.

Funded Research and Scholarly Projects

Tringali, C. (2015-16). *Pediatric patient, parent and nurse perceptions of satisfaction with pain management: A comparison study*. Grant project (\$2000) sponsored by the Children's Miracle Network.
